GENERAL SALE INFORMATION

TIME: Tuesday, March 14, 1961. Show will commence at 9:00 a.m. Sale at 12 Noon.

LOCATION: Illinois State Fairgrounds, Springfield, Illinois, heated sale pavilion.

BANQUET & ANNUAL MEETING: St. Nicholas Hotel, Monday, March 13. See page two for time schedule.

SALE HEADQUARTERS: St. Nicholas Hotel, Springfield, Illinois.

MAIL BIDS: Those wishing to buy at this sale who cannot be present may address their mail bids to any of the following:

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

Lyle Eiten, Chicago Daily Drovers Journal, Union Stockyards, Chicago, Illinois.

L. E. Mathers, Jr., Mason City, Illinois. President of the American Shorthorn Assn. or to any of the auctioneers, officers or members of the Illinois Shorthorn Assn.

AUCTIONEERS: Dick Kane, Wisner, Nebraska; H. P. Miller, Danvers, Ill.; Luke Gaule, Springfield, Ill.

GUARANTEE: All animals sold in this sale sell under the terms of the Standard Guarantee endorsed by the American Shorthorn Association. All animals will be sold under the Health regulations of the State of Illinois. They will either be tested for Bang's within 30 days of the sale, officially vaccinated for Bang's and under the minimum age, or from Accredited herds. They will either be tested for T.B. or from Accredited herds.

LIABILITY: Although every precaution will be exercised to protect the safety of those attending, all who attend this cattle sale do so at their own risk. Neither the Illinois Shorthorn Association, the consignors, its representatives, auctioneers, sales manager, nor clerks assume any liability. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, and cannot be responsible for possible errors in consignor's footnotes and health charts.

TERMS: The terms of this sale are cash unless arrangements are made in advance with consignor from whom you purchase. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from the purchaser.

The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the Illinois Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

Right, Melbourne Rodney. First prize junior bull calf, 1960 International. Sire, Leveledale Basis. Bred and exhibited by John Alexander & Sons, Big Rock, Illinois. They are selling two bulls and two females in this sale.

First prize group of three bulls, 1960 International, Kickapoo Farms. Half brothers and sisters are being sold in their five head consignment.

Dear Friends:

The Illinois Shorthorn Association proudly presents their 1961 State Sale offering. This sale represents the top end of the cattle offered for sale during the Spring.

1960 was a good year for Shorthorns in Illinois, with the winning of the Grand Champion Steer over all breeds at the Illinois State Fair, the champion Shorthorn bull at the International, and many other winnings in Inter-breed competition throughout the state. There were 14 district and state sales of breeding cattle in Illinois, and 11 auction sales of club calves. These 25 auctions sold a total of 1028 head for \$249,732.

With the quantity and quality we have to choose from, the Illinois State Sale consistently has been a good place to buy. Our slogan is "Illinois Leads the Way" and the breeders of Illinois have gone deep into their herds to make this the strongest offering we have ever presented. Many of the leading breeders are represented among the consignors, and the most popular bloodlines are found in the consignments.

We extend an invitation to you to attend our banquet the evening of March 13 and the show and sale the following day.

Sincerely,

Paul Potter

Paul Potter, President

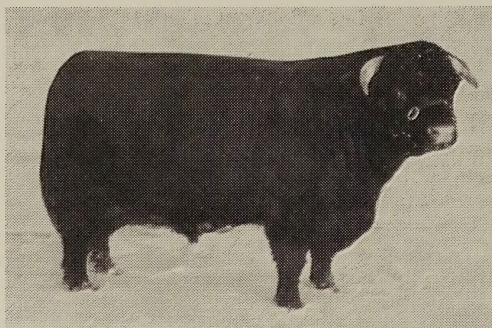

S S F Missie. Reserve Junior Champion, Illinois State Fair. Second at the International. The Steiger Bros., Delavan, Illinois, are shown with this heifer along with Virginia Bohlen, Moweaqua, 1960 Illinois Shorthorn Lassie Queen. This heifer is by Leveldale Pioneer, sire of Lot 4 in the Miller consignment.

Standard Guarantee

endorsed by the

AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificate of registry and transfers will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

22 TOP BULLS

The pick of the best herds in the leading Shorthorn state. Put your herd in a stronger position by selecting your junior herd sire from this grand group. You will do a far better job of buying when you can pick from such a selection, rather than waiting until you are desperate for a bull. Never have we had a stronger group of bulls in the Illinois State Sale.

Be Proud of YOUR BREED . . . SHORTHORNS Are the GREAT IMPROVERS

You'll find Illinois Shorthorns on top wherever you go. Right, grand champion pen of five bulls, National Western, Denver, bred at Carusbrooke Farms, Cedar Point, Illinois. Illinois breeders produce the big, rugged, thick kind that are in demand everywhere.

Be Proud of YOUR STATE . . . Illinois SHORTHORNS LEAD THE WAY

BEST FOR CROSSING . . .

Crossbreeding tests at the Louisiana State University show that Shorthorn crosses with both Angus and Herefords were superior to the Angus-Hereford cross in weaning weight, slaughter calf grade, rate of gain, weight-per-day of age and carcass grade.

PRODUCE MORE LEAN CUTS . . .

The large Indianapolis Carcass Contest proved, in a comparison of lightweight entries, that Shorthorns produced a higher dressed weight, more pounds of lean cuts and a carcass of greater value. The average Shorthorn carcass was worth \$30.68 per cwt. as compared to \$29.93 for Angus and \$29.91 for Herefords. A 210-head study by the Quebec Department of Agriculture also proved that Shorthorns mature earlier and produce a higher carcass grade.

MORE VALUABLE CALF CROPS . . .

A summary of 30 feeder sales in Virginia in 1960, involving 34,517 head of all breeds, revealed that Shorthorns, which have their own sale at Winchester, out-weighted, outsold and outgrossed their competitors. The Shorthorn average weight was 495 lbs. as compared to 456 for all sales. Shorthorns sold for a \$25.37 per cwt. average as compared to \$25.19 for all sales and they grossed \$125.51 a head as against \$114.84 for other breeds . . . a Shorthorn advantage of \$10.67 on every calf.

SUPERIOR GAINING ABILITY . . .

Shorthorns scored the highest average gains at the large Front Royal, Virginia, interbreed performance tests for eight straight years. In the largest testing program in the nation, the Kentucky Performance Test, Shorthorns had the highest daily rate of gain.

FEWER HEALTH PROBLEMS . . .

A study conducted by Dr. M. E. Ensminger, Washington State University, and presented at the 1960 Shorthorn Progress Conference, revealed that breeders, college men and meats industry experts rated Shorthorns the highest for milking ability, freedom from dwarfism, immunity to disease.

GROWING FEED LOT DEMAND . . .

At sale after sale last fall, the demand for Shorthorn feeder calves and Shorthorn crossbreds was greater than existing supplies. For example, 250 buyers from six states were on hand to bid on a 1,000-head supply at the Kansas Shorthorn Feeder Sale last fall. Many orders went unfilled at this and other sales. Other feedlot operators have indicated a willingness to pay a premium price to get those faster gaining, earlier maturing Shorthorn feeders. Get on the bandwagon . . . start using Shorthorn bulls.

Be a salesman for your breed! Attend this sale and bring interested people from your community along with you. You will be proud to show them this offering. Help put them in the business with good ones. If they can't come with you, then buy for them.

PROOF OF THE PUDDING . . .

Rear view of Roberta Hiltabrand's Grand Champion Steer Over All Breeds, 1960 Illinois State Fair. Sired by an Illinois bull produced by Prescott Down & Sons, Wyoming, Illinois; and out of a female family that originated in the Ralph Bivin, Waverly, Illinois, herd.

Throughout Illinois beef Shorthorn cow herds are making an important contribution to the beef industry . . . and are doing it with more profit and less production cost to their owners. Superior bulls are the key. Upgrade your herd through the purchase of a top new sire in this sale.

Reserve Grand Champion County Group of Three Steers Over All Breeds, 1960 International were these three Shorthorns from Edgar County, Illinois. Left to right, Richard Land, Bobby Buchanan, and Steven Land.

ILLINI VICTORIA 2d—A bred heifer that should make a good investment for anyone. Susanna Victoria 8th, sired by the well known Leveldale Custodian, was purchased at a good figure in the 1956 state sale and is doing a good job for us. R D Fortress, an undefeated bull calf himself, sired a champion group of steers for us at the International. Bred on December 19 to Glenndale Climax 36th the sire of our senior heifer consigned to this sale.

MILLBROOK BEAUTY 2d—Her dam is by Westdrums Emeritus. She is a good one, too.

A Top Female In Your Herd . . .

. . . she and her daughters can work lasting improvement. Your herd bull cannot do it by himself. Give him the right kind of females. Every herd should add at least one or two top new females each year. You can ship a mediocre producing old cow to market and with a reasonable additional investment purchase a top heifer.

If You Think It's Easy to Get Cattle Like These In a Sale Then Try It Sometime . . .

Mr. L. E. Mathers
Mason City, Illinois
Dear Les:

Thanks a lot for putting those two good bulls in the sale. Now I am going to ask you a further favor. Will you add the imported-in-dam heifer that was your top senior heifer calf in your show string a year ago . . . the one that won her class at the Eastern National and was fourth in a class of 21 at Chicago.

If we are to make the Illinois State Sale what it should be we must have tops from the strongest herds in the state. Thanks a lot for considering this.

Sincerely,
Paul Potter
President, Illinois
Shorthorn Assn.

Mr. Malcolm Tucker
Chrisman, Illinois
Dear Malcolm:

We are going all out to get good ones in the State sale. Les is going to put in his good senior heifer calf. Would you be willing to send the Missie heifer by Pace-maker that stood fifth in a class of 15 at the International? I know you would like to keep her in the breeding herd, but this is the only way to build the State sale.

Kindest regards,
Don Longley

. . . and so it went . . . for over a month we pinpointed specific animals and worked at the job of getting them in this sale. Is there any reason why a breeder should continue to multiply mediocre cattle and sell them at mediocre prices, when for such a reasonable additional investment you can buy a good one in this sale that will influence your herd for years.

This is Marellbar Welcome Count . . .

He sells in this sale in the McDonnell consignment.

We single him out because he typifies what we are trying to do in the Illinois State Sale . . . present a group of young bulls that can go to work in the hundreds of Short-horn herds in Illinois and adjoining states and work real improvement.

This bull won his class at the Illinois State Fair. He stood sixth in a class of 19 junior bull calves at the 1960 International. You will find many bulls and females in this sale with similar strong records.

To buy a bull at this calibre at private treaty is difficult and time consuming. Compare this with the ease of coming to Springfield on Tuesday, March 14 and selecting your bull . . . at your own price . . . and where you have a comparison yardstick of 22 promising young bulls.

No one stands still in the cattle business . . . you either charge forward or slip behind. As a progressive breeder, you cannot afford to be sitting at home on March 14 when the vital business of herd improvement is being transacted.
